

AN INVITATION

Aged Care Queensland's Annual State Conference, **Mission Possible – Should You Choose To Accept It**, will be held at Jupiters, Gold Coast from Tuesday 20th to Friday 23rd March 2012.

Around 300 delegates are expected to attend from across Queensland and from all sectors of the Aged Care Industry. The Conference program will be informative and challenging and encourages delegates to develop new visions and strategies. This is a time each year for delegates to exchange ideas and learn about new concepts, products and services that will assist the operation of their organisations into the future.

ACQ invites submission of papers relevant to the Conference theme. These will be considered for 30 minute presentations (including question time) in the concurrent sessions. These sessions are designed to offer alternative views and challenge attendees with new and innovative ways to consider their own service and the entire aged care industry.
