ACSA National Community Care Conference 2012

21-22 May, 2012
Adelaide Convention Centre

Dear friends and colleagues,

It is with great pleasure I invite you to the 4th National Community Care Conference and Trade Exhibition at the world class Adelaide Convention Centre.

Aged & Community Services SA & NT is proud to be organising this conference for ACSA, the first to be hosted away from the eastern seaboard.

Come to Adelaide and enjoy world renowned restaurants, a choice of wine regions just a short drive from Adelaide, beautiful beaches and the pristine wilderness of Kangaroo Island.

Community Care is a valued and essential component of many people's lives. It was established to provide practical support to help people stay in their own homes and to live the life they choose.

The theme for this conference is ***Firm Foundations: Flexible Futures***. The conference will give both service provider and consumer perspectives in sessions addressing:

- choice
- autonomy
- control
- connectedness
- building community capacity
- culture of the sector
- partnerships needed to make the system work

For further information and to register your interest as a delegate, sponsor or exhibitor please visit: www.agedcare.org.au

We look forward to welcoming you to Adelaide in 2012.
