

WHAT HAVE YOU DONE LATELY? Big or Small – we want to know!

Poster Presentation

As a part of the 2010 Aged Care Queensland Inc. State Conference and Trade Exhibition we are inviting members to submit a poster on any innovative initiatives or programs that have been introduced to improve client lifestyle.

Presentation Time:

The posters will be on display in the trade exhibition area at the ACQI State Conference which is being held at Conrad Jupiters, Gold Coast from 17-19 March 2010. During the afternoon tea breaks everyone who submits a Poster will be asked to discuss their poster with interested conference delegates. This is an informal process where they explain what has been implemented and the difference it has made.

The Posters will give members an opportunity to share with others the great work that is being undertaken in the Aged Care Industry.

Guidelines:

- The message that your poster contains should be clear and understandable.
- It should also clearly list the Nominees details such as Name, Organisation etc.
- The poster should be no larger than 1000mm x 1000mm and laid out on cardboard.
- Posters are typically viewed at a distance of 1 – 2 metres. Material must be easily read and a simple style font of 18 – 24pt should be used for text.
- The simple use of colour can add emphasis effectively and photos will add dimension to the poster.
- Make sure your presentation flows in a logical sequence. Remember that readers will naturally read from top to bottom, from left to right.
- All nominees must be registered to attend the Conference

The Poster Board **MUST** be received at the ACQI office by **Friday 12 March 2010**.

Please submit your poster to:
Aged Care Queensland
6 Pavilions Close
Jindalee Qld 4074
